

TWELVE MONTH LIMITED WARRANTY

This is a twelve month limited warranty certificate covering your use of the playset purchased from Pinnacle Play Systems. This warranty is non-transferrable and applies only to the original purchaser and original location, unless the product was relocated by Pinnacle Play Systems, or an authorized distributor of Pinnacle Play Systems. Relocating the product by any other party automatically invalidates this warranty.

When assembled correctly, used appropriately, and maintained properly, Pinnacle Play Systems guarantees that this product will remain structurally sound. The wood components used in the construction of this product are guaranteed against rot and decay for a period of **Forty Years**. Normal wear and tear, fading of exterior surfaces, and general aging, which are all common to any outdoor product that is exposed to natural elements, are not covered under this warranty.

As with any product located on top of the ground, settling will occur and components and accessories may become loose. You will need to periodically tighten all nuts, bolts, and screws, and adjust hardware and accessories as needed.

To be valid, the original invoice must be attached to this guarantee.
