

TEN YEAR LIMITED WARRANTY

This is a Ten Year limited warranty certificate covering your use of the utility barn, gazebo, or playhouse purchased from HomePlace Structures. This warranty is non-transferable and applies only to the original purchaser and only to the original location, unless the product was relocated by HomePlace Structures. Relocating the covered product by any other party automatically invalidates this warranty.

When used appropriately and maintained properly, HomePlace Structures guarantees that this product will remain structurally sound. Normal wear and tear, fading of exterior surfaces, and general aging, which is common of any outdoor product that is exposed to natural elements, is not covered under this warranty. As with any building which is located on top of the ground, settling may occur. You also will need to periodically paint, caulk and keep vegetation from growing around the edges of the building which would cut off ventilation.

To be valid, the original invoice must be attached to this guarantee.
